**CAMP 1:**

**Silver Screen Artists:** We all love the movies but who would guess how many different kinds of artists work together to make our favorite stories come to life on the silver screen?! This Abrakadoodle camp takes students both on and off screen with their imaginations into the wonderful world of creating movies characters and their memorable adventures! Students will try their hands at cell animation, story-boarding, costume, set, and movie poster design and even create some DVD cover art. Discover how so many visual art forms come together through many artists' creations to bring some of our favorite stories to the big screen!

**CAMP 2:**

**Garden Art Safari:** Abrakadoodle has created this special camp program for flower centers, botanical gardens, arboretums and other gardens. This summer join us at the Umlauf Sculpture Garden in Central Austin and enjoy creating art with a natural flair, as we play at Austin native artist, Charles Umlauf's, shady, tranquil garden! All projects focus upon garden elements such as soil, plants, and pollinators, and artistic styles and techniques that lend themselves to a garden environment. Doodler students learn how to use a sketchbook while Mini Doodlers explore the tactile elements of garden life. Docents will also help us discover art throughout the Garden!

**CAMP 3:**

**Splash 'N Splat Art Camp:** Beat the heat this year in Abrakadoodle art camp and surf with us on a summer wave of FUN! This camp transports us to a tropical paradise where we'll create the perfect swell to hang 10, make and fly airplanes that splash messages across the sky as we soar over watercolor seascapes and creatures basking in the sun! Upbeat music will float through the airwaves as we play games together and join in on the beach party! This salute to summer vacation includes a boatload of FUN art and creativity projects. Make a splash with new friends and our mascot, Splat the Dog! Come and catch our wave this summer- Kowabunga, Dude!

**CAMP 4:**

**Once Upon a Time:** Calling all princes and princesses! Enter the enchanted kingdom of Abrakadoodle Land filled with castles, dragons, fairies, and stories of magic and surprise! We'll create our own royalty gear, design our own castles and sprinkle fairy dust to create colorful and whimsical art. We'll learn about medieval life through the *Book of Hours* by the Limbourg Brothers and create fairies like the designs of Patience Brewster. We'll even make a royal Fabergé Egg! You'll get the royal treatment in a camp filled with music, games, wonder and enchantment!

**CAMP 5:**

**Art Counts!:** Ever thought art was just for artists?! Think again! In this fabulous Abrakadoodle camp we will have fun learning about the many artists who have enjoyed shaping their art explorations with **MATH!** We use numbers, patterns, shapes, lines, balance, perspective, and even groovy Op Art to round out this camp with FUN! Our campers enjoy counting upon inspiration from the work of notable artists such as Da Vinci, Mondrian, Alexander Calder, Jasper Johns, and Escher among other greats! Make summer camp Count in 2011 having fun in Abrakadoodle **Art Counts!** Camp!

**CAMP 6:**

**PRESTO ARTO!:** Join us for loads of hocus-pocus fun and art activities in this camp! Our concoction of art, magic, and FUN includes daily creativity projects along with a hatful of enchanting activities and games. Learn a new artful trick each day to amaze your family and friends. Mix up a unique, interesting color and make it bubble; create a rabbit and make him disappear; use special paper and PRESTO!...our artwork magically re-appears! Brought to you by Abrakadoodle, winner of 7 Nickelodeon Parent Picks awards for "Best Art Classes to Inspire Your Child's Inner Picasso," we make camp magical... *Ooooh!* Did that portrait's eyes just move?!

**CAMP 7:**

**Really BIG GIGANTIC, teeny tiny art!:** This Abrakadoodle camp is all about creating **HUGE** art along with **small** art projects. Our creative ideas flow as we create Cool Globes inspired by the Cool Globe Project touring the world and we learn about saving our planet while creating **BIG** Impacts and awe-inspiring art. We also learn about the delicate art of Dale Chihuly's glass sculpture, masterpieces of glass and color. We'll make both a **GIGANTIC** sculpture and **small** sculptures using recycled products. In this camp we encounter murals, geometric sculptures, creativity games, music and much more! Join us for this *big, gigantic, huge, enormous* FUN camp!

**CAMP 8:**

**Abrakadoodle 3-D Studio I & II:** Get into the third dimension this summer! With wads of paper to sculpt and weave we learn the fine art of Origami and paper sculpting!
